	Games Won	Games Drawn	Hoops Scored
Wareham	6	1	62
Swanage	5	1	55

There is some doubt about the accuracy of these results. The Wareham captain subsequently stated that the overall result was 7-4 with one draw. However Michael Joyner believed his results should be 5-5 in round 2 and 3-7 in round 3, while Colin Nunn believed he had won two games and lost one rather than one win and two losses.
