Good afternoon

Over the last few months the Cricket Club committee have been in ongoing discussions with the Croquet Club committee on the future use of the Cricket Club facilities by the Croquet Club.

Unfortunately, after much discussion and a unanimous vote from the Cricket Club committee it was decided the relationship with the present Croquet Club committee has deteriorated to such an extent a future with the Croquet Club using Cricket Club facilities in its present form is no longer sustainable and will cease at the end of this year.

Swanage Cricket Club are committed to continuing social croquet as we recognise the important benefit that playing brings for individuals health and wellbeing. We propose setting up a social croquet section without any league croquet or affiliation to the Croquet Association. If you are interested in being part of this new opportunity please respond to this email by 30th November and, should enough interest be shown, we will look to hold an open event in the New Year to discuss setting this up with a view to playing next season. We would like to break down the walls of the two separate clubs and become one all- inclusive club.

We look forward to hearing from you

Kind regards

Swanage Cricket Club Committee
